

APPENDIX B

Forest Plan Amendment Number 19 Custer National Forest Billings, Montana

The Custer National Forest Land and Resource Management Plan will be amended as follows.

Based on the information disclosed in the Beartooth Mountains Oil and Gas Leasing FEIS I am changing the Administratively Available decision on the following areas.

Areas on the Beartooth Unit of the Beartooth Ranger District available for lease are Management Areas B, C (except part of C Line Creek), D (except D Line Creek), E, G, P, and the western part of T Scenic Byway as depicted on the Map issued with the Beartooth Mountains Oil and Gas Leasing ROD. Areas on the Beartooth Unit of the Beartooth Ranger District NOT available for lease are Management Areas part of C Line Creek, D Line Creek, F, R, T Glacier Lake and the eastern part of T Scenic Byway as depicted on the Map issued with the Beartooth Mountains Oil and Gas Leasing ROD. Management Area M is available as mapped within available lands and NOT available as mapped within lands not available.

Managment Areas B, C (except part of C Line Creek), D (except D Line Creek), E, G, P, the western part of T Scenic Byway, and Management Area M on the Beartooth Unit of the Beartooth Ranger District are available for leasing using the stipulations identified in Alternative 4A.
